A=50 B=75 C=100 D=125 E=200 F=150 (Size in mm)

The new BES Shim Kits are available in 8 different combinations to choose from.

Supplied in the tough Pelican™ protector case - designed with an automatic pressure equalization valve, a watertight silicone O-ring lid, comfortable over-moulded rubber handles, stainless steel hardware and padlock protectors.

Each kit contains its own unique set of shims, nested perfectly into clearly marked slots, ensuring fast and accurate availability when needed on site.

** Refill by purchasing individual shim packs.
